Financial Overviews

We have had a lot of questions about the capabilities of the financial modules and wanted to extend an opportunity to our users to have an overview of what the financial modules can do for you and your study team! So far the response from training has been extremely positive with users commenting on how the system gave them new abilities to track and reconcile their trial, save them from doing double entry, and cut down on juggling spreadsheets.

To have a member of the MBECT team come to your department, please contact the help desk to make arrangements at:

- CRAO-MBECT-Help@med.umich.edu
- Or by calling (734) 764-KNOW (5669)

Training is still available.

As always, we appreciate any form of feedback and would love to have your thoughts about how this style of communication works for you. Do you have topics you’d like addressed? Let us know! You can always contact our help desk at CRAO-MBECT-HELP@med.umich.edu or by calling 734-764-KNOW (5669).

The new financial modules are LIVE! We listened to your feedback and the financial modules offer a lot of flexibility to track the entire life cycle of a trial from pre— to post—award status. Because of this, there is some additional responsibility to understand how the various modules interrelate and as such any users requesting access to the financial modules will be required to attend a training class before access can be granted.

- Hands-on Training: In-person training sessions are offered to walk users through example scenarios for hands-on experience in the system. Sign up on our website:
  - http://tinyurl.com/MBECT-Training
- If you don’t see an option that works for you don’t worry! Contact the help desk and let us know!
