We hear from a lot of study teams that it is difficult to keep track of their study accounts and the transactions they should expect to see on their Research account in MiChart. Did you know that study teams that use MBECT’s Visit Management can generate use reports for themselves to make account tracking and reconciliation easier? See how your charges break down per line item and per subject.

Reports export to Excel with a single mouse click for easy sharing.

**Training Continues!**

- **Item Search/Pricing Tool Training**: The clinical research pricing tool disappears October 2013. We have classes available to show you how to get pricing out of MBECT. Sign up here:
  - http://tinyurl.com/MBECT-Training

- **Financial Overview**: Ask the help desk about setting up an overview of the financial modules for your department.

- If you don’t see an option that works for you **don’t worry**! Contact the help desk and let us know!
