**Attachments:** GPAC 4-8-20.pdf; FORMS-F Key Updates.pdf

Good Afternoon –

From GPAC last week I've attached:

- FORMS-F Power Point (Slide 2, added info for forms roll-out)
- Key updates

In addition, here are two additional places that reference FORMS-F:

- [NOT-OD-20-090](#) – Reminder for changes to Ts, Fs, and Ks
- [NIH Grants Administration – Take 10: FORMS-F Update](#) – Brief YouTube summary of FORMS-F changes

NCI has provided another notice with changes/clarifications to the minimum level of effort required for proposals.

- [NOT-CA-20-047](#) Please be sure to make your investigators aware of the minimum levels when they are submitting to NCI.

If you have questions on any of this information, please contact me.
