Professional Employment Experience

- Since 1999 **Principal, Tom Lang Communications and Training International.** Help prepare manuscripts for publication in medical journals and lead on-site trainings in medical writing and editing, scientific and professional communications, statistics and research methods, tables and graphs, and document design. Extensive international experience, especially in Asia and the Middle East. Provide one-on-one intensive training in medical writing and editing.
- 1998 to 1999 **Senior Scientific Writer, Division of Clinical Care Research, New England Medical Center/Evidence-based Practice Center/Cochrane Center, Boston, Massachusetts.** Wrote evidence-based reports, grant applications, and scientific articles. Taught a yearlong post-graduate course in medical writing and scientific publications.
- 1990 to 1998 **Manager, Medical Editing Services, Department of Scientific Publications, The Cleveland Clinic, Cleveland, Ohio.** Wrote and edited scientific manuscripts; taught medical writing; hired, trained, and supervised 2 entry-level medical editors; supervised 2 undergraduate and 5 international post-doctorate medical writing interns. Designed and maintained the manuscript tracking system for the *Cleveland Clinic Journal of Medicine*.
- 1984 to 1990 **Senior Grants Officer, Office of Sponsored Projects, California State University Chico, Chico, California.** Assisted faculty in all pre-award aspects of proposal development, including project development, budgeting, and evaluation.
- 1982 to 1984 **Medical Writer, Loma Linda University Medical Center, Loma Linda, California.** Edited articles for publication in scientific journals; designed publications and exhibits; led workshops on communication.
- 1978 to 1982 **Independent Medical Writer.** Co-authored a college text on personal health; wrote grants and project evaluation reports.
- 1977 to 1978 **Assistant to the Dean, Graduate School, California State University Chico, Chico, California.** Wrote evaluation reports and developed proposals.
- 1976 to 1977 **Normal In-patient Volunteer for Medical Research, National Institutes of Health, and Graphic Arts Intern, National Library of Medicine, Bethesda, Maryland.**
- 1975 to 1976 **Technical Writer/Editor, Lawrence Livermore Laboratory, Livermore, California.**

Education

- 1988 **Master's Degree in Communication Management, Annenberg School for Communications, University of Southern California.** Emphasis on written, scientific, and organizational communication.
- 1973 **Bachelor's Degree in Social Science, breadth concentration, California State University, Chico.** Graduated *magna cum laude*, fourth in a class of 650. Postgraduate courses in African studies, anthropology, psychology, sociology, and elementary education.

Current as of February 8, 2018

Lang T, editor. *The final report of the rural drug needs assessment project and the executive summary of the final report of the rural drug needs assessment project*. Human Services Center, CSU Chico, 1979.

Lang T. **Experimentally induced conformity**. Paper presented to the Western Psychological Association Conference for Undergraduate Research, Santa Clara, CA, May 1973.

Invited Presentations, International

China

- 2017 **Editorial board meeting of *Stroke and Vascular Medicine***, Beijing, China. 3-hour presentation on reviewing manuscripts for publication
- 2017 **Beijing Luhe Hospital**, Beijing, China. 90-minute presentation on clinical research designs.
- 2017 **Capitol Medical University**, Beijing, China. Co-taught a 2-day course on publishing in Western scientific journals.
- 2017 **Xiang Ya School of Nursing, Central South University**, Changsha, China. 2-hour lecture on publishing in scientific journals.
- 2016 **Editorial board meeting of *Stroke and Vascular Medicine***, Wuhan, China. 3-hour presentation on critical appraisal of research.
- 2016 **International Summer Program, West China Medical Center/Sichuan Medical University, Chengdu, China**. Two, week-long courses on intensive writing instruction; 1 of 150 international instructors chosen to participate.
- 2016 **2nd Annual Conference on Evidence-Based Medicine, China International Change and Promotive Association for Medical and Health Care, Wuhan University, Wuhan China**. The PRISMA Statement for reporting systematic reviews and meta-analyses.

- 2016 **Sun Yat-sen University Cancer Center, Guangzhou, China.** Lecture on research and publication ethics.
- 2016 **Shanghai Medical College of Fudan University, Shanghai, China.** Lectures on research and publication ethics, statistics, and research into scientific publications.
- 2014 **Peking University International Health Science Center, Beijing, China.** Three workshops and presentations for medical editors in the China Medical Board's medical writing program.
- 2014 **Guangzhou Medical University, Guangzhou, China.** Half-day workshop on scientific publication and medical writing.
- 2014 **West China Medical Center/Sichuan Medical University, Chengdu, China.** Three, day-long workshops on scientific publication and medical writing.
- 2010 **Peking Union Medical College, Beijing, China.** Consultation with vascular surgery group on scientific publications
- 2009, 2011 **Third Military Medical University, Chongqing, China.** Visiting Scholar. Lectures to undergraduate and graduate physicians, medical English teachers, and editorial board members of the University's journal: <http://aammt.tmmu.edu.cn/en/Corp/1400.aspx>.
- 2008, 2010 **Sun Yat-sen University, Guangzhou, China.** Lectures to physicians, researchers, and medical students on scientific publications
- 2006 **Charlesworth China, Beijing.** 4-day training to editorial staffs of more than 50 Chinese scientific journals published in English
- 2006, 2009, 2010 **Peking University International Health Sciences Center.** Several 3-hour lectures to physicians, researchers, and medical students
- 2005-2010, 2012-2014 **West China Medical Center/Sichuan Medical University, Chengdu, China.** **Chengdu, China.** lectures and classes directed to medical students and researchers in biological sciences
- 2005, 2007 **Chinese Cochrane Center and West China Medical School, Sichuan Medical University, Chengdu, China.** 10, 3-hour presentations on scientific publishing and medical writing
- 2004 **Central South China University, Xiang Ya Hospital, Changsha, China.** Lectures on how to publish in Western scientific journals
- 2005 **Fudan University Children's Hospital, Shanghai, China.** Lectures on how to publish in Western scientific journals
- 2002 **Fourth Military Medical University Hospital, Xian, China.** Lectures on how to publish in Western scientific journals
- 2002 **Fudan University, Shanghai, China.** Lectures on how to publish in Western scientific journals
- 2002 **Peking University Medical College, Beijing, China.** Lectures on publishing in Western journals.

- 1998 **China Medical University**, Shenyang, China. Lectures on medical writing
- 1998 **Peking Union Medical College**, Beijing, China. Lectures on medical writing
- 1996, 1998, 2000, 2002 **Beijing Medical School (now Peking University Internal Health Science Center), Beijing, China.** Three weeks of teaching medical editors in the China Medical Board medical writing program

Japan

- 2014, 2016, 2017 **Novartis Japan.** Three intensive sessions on writing instruction with regulatory writers conducted over Skype and three conducted on-site.
- 2014 **University of Tokyo, Tokyo, Japan.** Three, day-long workshops on scientific publication and medical writing.
- 2013 **Japanese Association of Translators, Pharmaceutical Group.** Half-day workshop on improving written communication in English.
- 2012 **Adelphi Values, Tokyo, Japan.** Two, day-long trainings on technical report writing, business communications, and conflict management
- 2010 **Cactus Communications/Editage, Tokyo, Japan.** Day-long course on preparing scientific publications
- 2008 **Japanese Medical Writers [Journalists] Association,** Tokyo, Japan. Reporting Statistics
- 2008, 2009 **St. Lukes Hospital, Tokyo, Japan.** Lectures to staff physicians on scientific publications
- 2006, 2009 **Tsukuba University, Tsukuba Japan.** Lecture and consulting on training science students in scientific communication and publications
- 2005, 2007 **Japanese Medical Communicators Association.** Lectures on writing patient education handouts and reporting clinical trails
- 2003 **Japanese Medical Communicators Association,** Tokyo, Japan. Educating medical writers
- Annually, since its inception in 2001 **Japanese Union of Scientists and Engineers (JUSE),** Tokyo, Japan. Annual 2-day training course in scientific publications, medical writing, and critical appraisal of research. Part of a larger course offered to Japanese regulatory writers.
- Annually 2001-2012 **Medical Interpreters and Translators Association,** Tokyo, Japan. Annual lectures on medical writing and editing, statistical reporting, and training medical writers
- 2000, 2001 **Drug Information Association,** Tokyo, Japan. Presentations on statistical reporting and the training of medical writers and editors

Bangladesh

- 2016 **Dhaka Medical College. Dhaka, Bangladesh.** 2, day-long workshops on preparing scientific publications for medical students and faculty.
- 2014 **Scientific Seminar of the Association of Physicians in Bangladesh, Dhaka, Bangladesh.** Five, half-day trainings in scientific publication and medical writing.

- 2014 **Dhaka Medical College, Dhaka, Bangladesh.** Day-long workshop on preparing scientific publications for medical students and faculty.
- 2013 **24th Annual Conference and Scientific Seminar of the Association of Physicians in Bangladesh, Dhaka, Bangladesh.** Invited speaker and commentator.
- 2013 **Shaheed Suhrawardy Medical College Dhaka, Bangladesh.** Day-long workshop on publishing in medical journals.

India

- 2015 **World Association of Medical Editors International Conference, New Delhi, India.** Organized, moderated, and presented a day-long workshop on Peer Review.
- 2012 **BioQuest Solutions Private Ltd., Bangalore and Kolkata, India.** Two, day-long training for physicians on preparing scientific publications.
- 2009 **Cactus Communications, Mumbai, India.** Week-long training of more than 40 medical and technical editors
- 2004 **Seth G. S. Medical College/King Edward Memorial Hospital, Mumbai (Bombay), India.** Presentations at the 50th Anniversary of the *Journal of Postgraduate Medicine*.

Singapore

- 2011 **National University Health System, Singapore.** Day-long training for medical students and physicians
- 2011 **Novartis Pharmaceuticals, Singapore.** Invited lectures on scientific publishing

Thailand

- 2009-2011 **Novartis Pharmaceuticals, Bangkok, Thailand.** 4, day-long courses for physicians on preparing scientific publications

Africa and the Middle East

- 2018 **Astellas Pharma Inc., Algiers, Algeria.** 2-day course on preparing scientific communications.
- 2017 **Kuwait Cancer Control Center, Kuwait City, Kuwait.** 1-day course of preparing scientific publications; 1-day course on intensive writing instruction
- 2017 **21th Pan Arab Conference on Diabetes, Cairo, Egypt.** Lectured on preparing scientific publications.
- 2017 **Astellas Pharma Inc., Dubai, United Arab Emirates.** 2-day course on preparing scientific communications.
- 2016 **Astellas Pharma Inc., Jeddah, Saudi Arabia.** 4-hour course on preparing scientific communications.
- 2016 **Dasman Diabetes Research Institute, Kuwait City, Kuwait.** 3-hour presentation on preparing clinical research articles for publication.

- 2016 **20th Pan Arab Conference on Diabetes, Cairo, Egypt.** Lectured on preparing scientific publications and patient education materials
- 2015 **United Arab Emirates Ministry of Health.** 2-day training on interpreting and reporting biostatistics for 50 physicians, pharmacists, and nurses. Sharjah, UAE.
- 2015 **Second International Congress on Medical Writing, Ajman, United Arab Emirates.** Presentations on publication ethics, statistics, and preparing patient education materials
- 2013 **Medtrix Healthcare Private Ltd. Dammam, Jeddah, and Riyadh, Saudi Arabia.** Three, day-long workshops on publishing in medical journals.
- 2008 **National Center for Science and Industrial Research, Lusaka, Zambia.** 2 weeks of lectures to scientists and physicians from several southern African countries on scientific and technical communication. Sponsored by AuthorAid.

Europe

- 2010 **European Statistical Forum, Verona, Italy.** Invited presentation on statistical errors in the scientific literature
- 2009 **World Health Organization, Geneva, Switzerland.** Two-day training course on statistical reporting to epidemiologists and public health professionals
- 1996, 1997,
1998, 2002,
2003, 2004,
2008, 2011 **European Medical Writers Association,** annual conferences in Berlin, Edinburgh, Madrid, Prague, Lisbon, Budapest, Barcelona, and Berlin
- Biostatistics for Medical Writers and Editors
 - Reporting Correlation and Regression Analyses
 - Reporting Biomedical Research: The Scientific Article
 - Improving Comprehension: Theories and Research Findings
 - Reporting Clinical Trials
 - Mentor-guided Analytical Thinking
- 2005 **Centre for Statistics in Medicine, Oxford University, Oxford, United Kingdom.** Day-long course on writing the statistical consulting report

Canada and Mexico

- 2013 **Mexican Association of Biomedical Journal Editors** (Asociación Mexicana de Editores de Revistas Biomédicas or AMERBAC). Annual conference speaker, Mexico City.
- 1994, 1995,
1997 **The Canadian Royal College of Physicians and Surgeons,** annual conferences in Toronto, Montreal, and Vancouver
- Biostatistics for Medical Writers and Editors
 - Reporting Biomedical Research: The Scientific Article
 - Reporting Clinical Trials
- 2007 **American Orthopedic Society for Sports Medicine Annual Meeting,** Calgary, Canada, “Statistical Errors Even YOU can Find”

Invited Presentations, Domestic

- 2017 **InQuill Medical Communications,** 1-hour webinar on critical appraisal of research
- 2017 **InQuill Medical Communications,** 1-hour webinar on statistical errors

- 2016 **Editorial Freelancers Association**, 1-hour webinar on numeracy
- 2015 **Southcentral Foundation**, Anchorage, Alaska. Two days of training on preparing scientific publications
- 2014 **Centers for Disease Control and Prevention**. Day-long training in critical appraisal of epidemiological research and common statistical and data presentation errors.
- 2014 **Drug Information Association**, Medical and Scientific Communications 2014 Annual Forum, Orlando, FL. 3-h Tutorial on Statistics for Medical Communications
- 2014 **InQuill Medical Communications**, 1-hour webinar on statistical errors.
- 2013 Annual conference of the **National Science Communication Institute (nSCI)**. University of Washington, November 15, 2013. “Keeping the Litter out of the Literature: Improving the Quality of Scientific Publications.”
- 2013 **Drug Information Association**, Medical and Scientific Communications 2013 Annual Forum, Phoenix, AZ. Presentation on reporting guidelines for evidence-based medicine.
- 2013 **InQuill Medical Communications**, 1-hour webinar on statistical errors.
- 2012, 2013 **Annual meetings, editorial board, *Journal of General Internal Medicine***, Tampa, FL and Denver, CO. Presentations on publishing in scientific journals.
- 2012 **Drug Information Association**, Medical and Scientific Communications 2014 Annual Forum, Orlando, FL. 2012. 3-h Tutorial and panel discussion on Statistics for Medical Communications
- 2010 **The International League Against Epilepsy**, San Antonio, Texas. Four-hour presentation to the editorial board and reviewers of *Epilepsia* on reviewing articles for publication in the journal.
- 2007 **Veterinary Journal Editors** Group, American Veterinary Medical Association Annual Conference, Washington, DC, “Statistical Errors Even YOU can Find.”
- 2008 **The Cleveland Clinic Lerner School of Medicine at Case Western Reserve University**, several presentations on scientific publications and medical writing
- 2006 **Association of Health Care Journalists Annual Meeting, Los Angeles**, Twenty Statistical Errors Even YOU Can Find
- 2001, 2005, 2006 **American Osteopathic Association, Council on Research**, Conference presentations in Birmingham, AL, Tulsa, OK, and Las Vegas, NV
- 1999 to 2004 **American Statistical Association**, annual meetings: “Communicating with Nonstatisticians, 4- and 8-hour workshops
- 2001 to 2004 **American Public Health Association**, annual meeting. Continuing Education course on critical appraisal of biomedical and public health research
- 2002 **Centers for Disease Control and Prevention**, Atlanta Georgia. “Critical appraisal of the biomedical literature.” Video broadcast to 3 remote sites.
- 2000 **National Council of Teachers of English**, Milwaukee, WI. Scientific Writing

- 1996 **American Academy of Optometry**, Annual Research Symposium. Writing Scientific Articles
- Periodically since 1996 **Council of Science Editors**, annual conferences
- Instructor, first Short Course, Statistics for Journal Editors
 - Instructor, several Short Courses for New Manuscript Editors
 - Ten Common Statistical Reporting Errors; four presentations
 - Discussant, Is There Evidence of Quality in the Scientific Literature?
 - Discussant, Value Added and Productivity Measures in Medical Writing
 - Moderator, What Editors Need to Know about Industry-Sponsored Research
 - Presenter, Observations on Instructions for Authors
 - Presenter, How Are Nonnative English-Speaking Authors Coping with Requirements to Publish in English-Language Journals?
- Annually since 1986 **American Medical Writers Association**. More than 200, 3-hour Core and Advanced workshops presented at national and regional conferences:
- Biostatistics for Medical Writers and Editors (required)
 - Reporting Association, Correlation, and Regression Analyses (required)
 - Preparing Biomedical Research Articles (required)
 - Reporting Measures of Risk
 - Critical Appraisal of Clinical Research Articles
 - Reporting Clinical Trials (Advanced Curriculum)
 - Reporting Diagnostic Test Characteristics (Advanced Curriculum)
 - Improving Comprehension: Theories and Research Findings (required)
 - Preparing Patient Education Handouts
 - Preparing Tables and Graphs
 - Institutional Pandering: What Writers Need to Know about Grantsmanship
 - Mentor-guided Analytical Thinking (MAT)
- 1992 **The 1992 Nutrition Conference**, a continuing education course sponsored by The Cleveland Clinic Foundation; “Dr. Frankenstein, Science, and YOU”
- 1990 **Midwest Pediatric Gut Club**, “Developing Patient Education Handouts”
- 1989, 1990 **Society for Technical Communication** (Writer in the Workplace Conference, Sacramento, California)
- Writing for Informavores: Applications of Information Theory to Technical Communication
 - Meaning, Sound, and Symbol: The Alphabet, Before and Beyond
 - Seven Reasons for Writing in Circles: From Message to Meaning in Written Communication
- 1986 **American Society for Clinical Hypnosis**, annual conference, Seattle, Washington: “Medical Writing: Strategies and Skills”
- 1983 **Loma Linda University Medical Center**, “Coping With Stress. A 4-hour workshop presented to the Department of Respiratory Care. Ten presentations.
- 1980 **California State University, Chico**, Publishing in Professional Journals. Professional development seminar presented to the faculty at CSU Chico, January 1980.

Professional Activities

- 2017 **Guest editor** for a special issue of the *Journal of Public Health and Emergency*, on scientific publishing. Recruited and advised 14 authors to write eight articles on the topic.

- 2014 Participant, **Feasibility and Pilot Studies (FAPS) Group**. EQUATOR-sponsored group on reporting randomized pilot trials
- Since 2012 **Chair, Education Committee, World Association of Medical Editors**. In charge of developing an on-line medical journal editor training program targeted especially to nonnative English-speaking editors in developing countries
- 2011-2014 **Member, Style Manual Subcommittee. *Scientific Style and Format: The CSE Manual for Authors, Editors, and Publishers, 8th edition***. Author/editor/reviewer of Chapter 12: Numbers, Units, Mathematical Expressions, and statistics and Chapter 30: Accessories to Text: Tables, Figures, and Indexes
- 2006 Edited chapters on reporting statistics and on preparing tables for ***Scientific Style and Format: The CSE Manual for Authors, Editors, and Publishers, 7th edition***. Council of Science Editors, 2006.
- 2005 Participant, **QUOROM (Now PRISMA) Group** on reporting systematic reviews of randomized controlled trials
- 2004 Participant, 2004 **Consolidated Standards on Reporting Trials (CONSORT) Group** on reporting randomized controlled trials
- 2000, 2002 **LearnStat Workshop Program**, American Statistical Association.
- 2000 Participant, 2000 **Consolidated Standards on Reporting Trials (CONSORT) Group** on reporting randomized controlled trials
- 1999 Chair, **Program Committee**, 2000 CBE Annual Conference
- 1998 Participant, 1998 **Consolidated Standards on Reporting Trials (CONSORT) Group** on reporting randomized controlled trials
- 1997 Participant, **Meta-analysis Of Observational Studies in Epidemiology (MOOSE)**, a reporting guideline development group
- 1994 to 1996 Chair, **Long-Range Planning Committee**, American Medical Writers Association. Managed the development of a 5-year plan for the Association.
- 1994 Participant, **Asilomar Working Group on Recommendations for Reporting Clinical Trials in the Biomedical Literature**. See: *Annals of Internal Medicine* 1994; 121(11):894-5 and 1996;124(8):741-3. Became part of the CONSORT Group.
- 1993 to 1994 Chair, **Health Education Materials Committee**, The Cleveland Clinic Foundation. Evaluated the production and use of patient education materials.
- 1990 As President of the Ohio Valley Chapter of the American Medical Writers Association, **established the Deer Creek Conference**, an annual professional development retreat. Organized the 1992 and 1993 Conferences.
- 1991 Helped establish **the Educators Section of the American Medical Writers Association**. Organized the first plenary session for the Annual Conference.

Activities as a Peer Reviewer

2017	Eighth International Congress on Peer Review and Scientific Publication
2016	<i>Clinical Toxicology</i>
2016	<i>Annals of Emergency Medicine</i>
2016	<i>Learned Publishing</i>
2015	<i>BioMed Central Medicine</i>
2015	<i>Clinical Therapeutics</i>
2014	<i>International Journal of Clinical Practice</i>
2013	Seventh International Congress on Peer Review and Scientific Publication
2011	<i>CHEST</i>
2009	<i>Indian Journal of Medical Science</i>
2008 to 2012	<i>Epilepsia</i>
2006	<i>The Science Editor</i> , the journal of the Council of Science Editors
2005	<i>Journal of Pediatric Gastroenterology & Nutrition</i>
2005	<i>Journal of Foot and Ankle Surgery</i>
Since 2002	<i>American Medical Writers Association Journal</i>
2001	<i>Annals of Internal Medicine</i>
2000	<i>Annals of Emergency Medicine</i>
1998	<i>AMA Manual of Style, 9th Edition</i> (two chapters on reporting original research and reporting statistical information)
1995 and 1996	<i>Cleveland Clinic Journal of Medicine</i>
1990 to 1993	Core curriculum workshops for the Editors Section of the American Medical Writers Association

Consulting and Training Activities

2001	Systematic review of the literature on the clinical implications of nurse-to-patient ratios , for the University of California, Davis, Center for Health Services Research in Primary Care. Report to the State of California.
2001 to 2004	Helped to structure the Core Curriculum of the American College of Medical Quality
Since 1993	Provided training and consulting services in medical writing to several clients: <ul style="list-style-type: none"> • Advanstar, a medical publishing company • Amgen, Inc., a biotechnology company • American College of Rheumatology • American College of Osteopathy • American Medical Association/JAMA • American Psychiatric Association • Archives of Physical Medicine and Rehabilitation • Astellas, a pharmaceutical company • AstraZeneca China, a pharmaceutical company • Astrolabe Analytica, a medical communications company • Barnett International, a pharmaceutical training company • Besselaar Associates, a contract research organization • BioQuest, a medical communications company • BioScience Communications, a medical communications company • Bristol-Meyers-Squibb, a pharmaceutical company • Illinois State Board of Education • Life Sciences Publishing (Tokyo Japan) • Massachusetts Medical Society • Medical Economics, a medical publishing company • Merck & Co., Inc., a pharmaceutical company • MicroMedix, a medical publishing company • Neurocontrol Corporation, a medical device • New England Journal of Medicine • Novartis, a pharmaceutical company • Ogilvy CommonHealth, a medical communications company • On-line Compliance, a training company • Palladian Partners, a scientific editing company • Paraspinal Corporation, a medical device company • PCS Health Systems, a formulary management company • Peloton Advantage, a communications company

- **Cell Genesys**, a biotechnology company
- **Centers for Disease Control and Prevention**
- **Centocor**, a pharmaceutical company
- **Charlesworth China**, a journal production company
- ***Journal of Orthopedics and Sports Physical Therapy***
- **ClinTrials Research, Inc.** a contract research organization
- **Complete Healthcare Communications**, a medical communications company
- **Eli Lilly, Inc.**, a pharmaceutical company
- **Ethicon Endo-Surgery**, a medical device company
- **ETHOS**, a medical communications company
- **FHP**, a large health-maintenance organization
- **FX Conferences**, and audioconferencing training company
- **Giant Creative Strategy**, a medical advertising company
- **Genentech**, a biotechnology company
- **Glaxo Smith-Klein**, a pharmaceutical company
- **Hoffmann-La Roche**, a pharmaceutical company
- **Pharmaceutical Training International**, a pharmaceutical training company
- **Pharmacia Corporation**
- **PKC Corporation**, a medical software company
- ***Postgraduate Medicine***
- **ProED Communications, Inc.**, a medical communications company
- **Ross Laboratories**, a therapeutic nutrition company
- **G. D. Searle & Co.**, a pharmaceutical company
- **Slack, Inc.**, a medical publishing company
- **Solvay Pharmaceuticals**, a pharmaceutical company
- **Takeda Pharmaceuticals**, a pharmaceutical company
- **TAP Pharmaceuticals**, a pharmaceutical company
- **University of California, Davis:** Departments of Pain Management, Outcomes Research
- **University of California, Davis:** Departments of Informatics and Telemedicine
- **University of Medicine and Dentistry of New Jersey**
- **Writers, Inc.**, a medical communications company

- 1989 Advised **Butte County Alcohol and Drug Services** in the design and preparation of a regional, interdisciplinary proposal to coordinate perinatal substance abuse treatment services.
- 1989 Evaluated the American Chemical Society's multimedia technical writing course for adoption by the **NASA Lewis Research Center**, Cleveland, OH.
- 1983 Thirty chapters of *Operative Hand Surgery*, the leading reference for hand surgeons, edited for **Dr. Virchel Wood, Chief, Hand Section, Department of Orthopedic Surgery, Loma Linda University Medical Center**, Loma Linda, CA.

Professional Affiliations

- Since 2010 **Northwest Science Writers Association**
- 2004 to 2012 Adjunct Professor of Medical Writing, **University of Sciences in Philadelphia**, for the master's program in medical writing
- Since 1999 Adjunct Instructor, Medical Writing and Editing Certificate Program, **Graham School of Continuing Liberal and Continuing Studies, University of Chicago**
- Since 1998 **World Association of Medical Editors (WAME)**. Treasurer since 2007; Chair, Education Committee, developed the outline of the Association's on-line training program for medical journal editors
- Since 1997 **European Association of Science Editors (EASE)**; member
- Since 1988 **Council of Science Editors (CSE)**. Presidential track 1999 to 2004; President 2001 to 2002
- 1994 to 1999 **International Society for Performance and Instruction (ISPI)**; Ohio chapter

- Since 1979 **American Medical Writers Association (AMWA)**; President, Ohio Valley Chapter, 1992 to 1993; Chair, National Long-Range Planning Committee, 1994 to 1996
- 1978 to 2002 **Society for Technical Communication (STC)**; Senior member

Awards, Honors, and Personal Achievements

- 2017 **Editorial board member, *Journal of Public Health and Emergency***. The official publication of the Society for Translational Medicine, Hong Kong
- 2011 **Eric W. Martin Award for excellence in medical writing**, American Medical Writers Association
- 2009 to 2014 **Editorial board member, *Acta Academiae Medicinae Militaris Tertiae*** [Journal of the Third Military Medical University], Chongqing, China
- 2006 Completed a 28-hour course in **Community Mediation** through the Sacramento Mediation Center.
- 2005 First **Excellence in Teaching Award**, Professional Programs, Graham School of General Studies, University of Chicago
- 2002 **Harold Swanberg Distinguished Service Award** for outstanding contributions to medical communications, the American Medical Writers Association
- 2002 **Excellence in Continuing Education Award**, Advisory Committee on Continuing Education, American Statistical Association
- 1994 **The Golden Apple Award for Outstanding Workshop Leader**, American Medical Writers Association
- 1993 **Fellow**, American Medical Writers Association
- 1992 **President's Award for Meritorious Service**, American Medical Writers Association
- 1986, 1995 **Basic and Advanced Core Curriculum Programs in Medical Communications**, cross-disciplinary emphasis, the American Medical Writers Association
- 1984 **Award of Achievement**, Society for Technical Communication publications competition, Golden Gate and Pacifica chapters
- Since 2004 Completed a 60-hour intensive course in **Mandarin Chinese** at the Monterey Institute of International Studies. On-going independent study of spoken Mandarin.
- Since 2005 Independent study of **Mandarin Chinese, Japanese, Thai, Hindi, Swahili, Korean, Farsi, Turkish, Ojibwe (Chippewa), and Arabic** (limited speaking ability at best and little or no ability to read or write in these languages)
- 1982 **Emergency Medical Technician Program**, Butte Community College, Oroville, California

University Teaching Experience

- 2016 **Scientific Writing for Public Health Professionals**, College of Public Health, **Ohio State University**, Columbus, OH. 3-day intensive, credit-bearing course in scientific writing

- 2016 **Intensive Medical Writing, West China Medical Center, Sichuan Medical University,** Chengdu, China. Two, week-long, half-day intensive classes on medical writing
- 2015 **Preparing Systematic Reviews and Meta-Analyses for Journal Publication.** Center for Evidence Based Medicine, **School of Public Health, Brown University,** Providence, RI. Day-long course taught on a grant from the Agency for Healthcare Research and Quality
- 2010 **Medical Editor in Residence, Texas A&M University,** College Station, TX. Month-long residency in training a group of Mexican scholars to prepare their research for publication; gave open lectures on medical writing and scientific publications.
- 2000 to 2002, 2006 to 2009 **Summer Program in Applied Statistical Methods. Ohio State University,** Columbus, OH. Credit and non-credit bearing courses on writing statistical reports and preparing scientific articles.
- 2005 to 2007 **BW701 Professional Writing in Science, University of Sciences in Philadelphia,** Philadelphia, PA. Internet-based course on the master's degree program in medical writing. Fall, spring, and summer semesters.
- Summer 2005* **BW708 Methods for Evaluating Written Communication, University of Sciences in Philadelphia,** Philadelphia, PA. *Internet-based course on the master's degree program in medical writing*
- 2001 to 2004 **Critical Appraisal and Editing of Biomedical Research Articles, University of Chicago,** Chicago, IL, Biomedical Writing Certificate Program, intensive 3-day course
- Annually since 1999 **Interpreting Medical Statistics, University of Chicago,** Chicago, IL, Biomedical Writing Certificate Program, intensive 3-day course
- 1999 **Tabular and Graphical Data Displays, University of Chicago,** Chicago, IL, Biomedical Writing Certificate Program, intensive 3-day course.
- 1998 to 1999 **Scientific Writing, Tufts University Medical School,** Boston, MA. Postdoctoral seminar, a weekly, year-round seminar,
- 1989 **Communication and Society** (Information and Communication Studies 204), **CSU Chico,** Chico, CA. A 3-unit senior seminar and capstone course for majors.
- 1989 **Communication Research** (Communication Design 202), **CSU Chico,** Chico, CA. Discussion section of an upper-division lecture class. Supervised group research projects.
- 1986 and 1988 **Proposal Writing** (English 230), **CSU Chico,** Chico, CA. A 3-unit upper-division course in the technical writing certificate program.
- 1988 and 1989 **Nature and Impact of Human Communication** (Communications 140), **Annenberg School of Communications, University of Southern California,** Los Angeles, CA. A 4-unit, lower-division introductory course. Teaching Assistant for Sandra Ball-Rokeach, PhD, and Head Teaching Assistant for Everett M. Rogers, PhD.
- 1984 and 1986 **Technical report writing** (School of Technical Careers 416), **Southern Illinois University, Carbondale.** A 3-unit upper-division course taught at Fort Hood, TX, and at March Air Force Base, Riverside, CA, on three alternate weekends.
- 1984 **Management Research Methods** (School of Technical Careers 350), **Southern Illinois University, Carbondale.** A 3-unit upper-division course taught at March Air Force Base, Riverside, CA, on 12 evenings.
