Find us on MLearning!

MBECT Training references are now available through MLearning! We are working to provide more comprehensive tutorials and refreshers on how to complete your work in MBECT from the convenience of your own work station. Currently we have modules on getting started in the system (including password resets) and subject enrollment. More modules will be forthcoming!

To find us:

- 1) Log in to MLearning at:
<https://mlearning.med.umich.edu>
- 2) Select "Search Catalog" from the left hand menu.

- 3) Enter one of our catalog numbers in the search box:

A screenshot of the search box for a course to enroll in. The search box is titled 'Search for a Course to Enroll In:'. It has a 'Keywords:' field and a 'Course Code:' field. The 'Course Code:' field has a dropdown menu set to 'Contains' and the text 'CRAO-10000' entered. A green arrow points to the 'CRAO-10000' text. Below the search box is a 'SEARCH AND ENROLL' button.

Enter:

CRAO-10000 for Getting Started: Logging into MBECT for the First Time
CRAO-10002 for MBECT Subject Enrollment

Look for more modules about the new MBECT platform in the coming weeks!
