## A New Version of MBECT for the New Year!

The MBECT team is hitting the ground running this year to bring you a whole new and improved version of MBECT! In order to more effectively meet the challenges of MiChart, and to address some feedback from our users, MBECT is being given a new look, new features, and new fixes for some of our most common help desk requests!

### We'd love to introduce you!

Come check out a sneak preview of the new system!

Sessions will be offered in CVC Danto Auditorium on:

- Tuesday, January 22, 2013 from 1:00 PM - 2:00 PM
- Tuesday, February 12, 2013 from 2:00 PM - 3:00 PM

Can't make it? We recommend checking out the new system as early as possible but we'll have more information soon about MBECT training sessions and additional MLearning modules to help get everyone oriented in time. **See you there!**
