or (734) 764-KNOW(5669)

### Training—Round 2!

Thanks to all of you who responded to our training survey! With the new financial modules coming out **May 6th** we are gearing up for our next round of training sessions, and we kept your feedback in mind. Here are some descriptions of the upcoming modules to help you decide if they might be useful for you and your team:

- **Visit Management** : This module is where you would go to manage visit activity for individual subjects by checking off the items and services that were completed as part of each visit. This includes the ability to disenroll subjects by marking them as having failed the screening.
- **Milestones and Analysis**: These modules are where milestones outlined in the sponsor budget can be created for later tracking and invoicing. Forecasting and break even analysis can also be done here.
- **Invoicing/Payments/Advances**: These modules are where sponsor invoices are created, and where payments and advances can be tracked and reconciled.

Based on your feedback, we will be tackling training from multiple angles again:

- **Hands-on Training** : In-person training sessions are offered for just Visit Management as well as for all of the financial modules together to help maximize your time. Sign up on our website:
  - <http://tinyurl.com/MBECT-Training>
- **MLearning** : MLearning modules are in development and should be available prior to go live. More information to follow!
- If you don't see an option that works for you **don't worry!** Contact the help desk and let us know!

### Events

#### Training is still available.

Sign up to receive training in person here:  
<http://tinyurl.com/MBECT-Training>  
or search for keyword CRAO on the MLearning site here:  
<http://mlearning.med.umich.edu/>
