MBECT Tips and Tricks

What Do You Want to See in MBECT?

Have you ever been working in MBECT and thought that **there was just a better way to do something**? Or have you ever found yourself making similar mistakes over and over because you **found something about MBECT confusing**?

We want to know about it! And so does the vendor that worked with us to create MBECT. A vendor representative will be onsite at the end of October looking for feedback about **existing functionality** and showing a few **additional enhancements** that will soon be available.

We would like to invite all of our users to participate in a focus group, **in person or online**. If you are interested, please follow this link to our survey to be included. The visit is not for another month but we want to be sure to accommodate as many people as want to participate, so the earlier you respond the more likely it is that we can accommodate you. We also understand that people have other obligations so if you are not available for one of the proposed sessions but still want to give feedback, please feel free to include your responses here, as well.

• **Financials Overview:** Ask the help desk about setting up an overview of the financial modules for your department.

- If you don't see an option that works for you **don't worry!** Contact the help desk and let us know!

More than Just a Billing Calendar

While most of our users are familiar with the mandatory parts of making a billing calendar, we've heard from a lot of folks that they were not aware of all of the other things MBECT can do for them with the information they've already entered. MBECT can also create your:

- MCRU Schedule of Events
- Internal Budget
 - Includes details on effort
- Sponsor Budget
 - Includes research rates, full charge, sponsor rates.
 - Shows high level feasibility or visit level detail.
- To learn about other financial reports created from your billing calendar contact the help desk

As always, we appreciate any form of feedback and would love to have your thoughts about how this style of communication works for you. Do you have topics you'd like addressed? Let us know! You can always contact our help desk at CRAO-MBECT-HELP@med.umich.edu or by calling 734-764-KNOW (5669) .
