Level Up! Level-2 Passwords Required

The number one call we receive here at the help desk is people who have so many passwords to keep straight that they have forgotten their MBECT password. We are pleased to announce that you will no longer need an extra MBECT password once the new platform rolls out!

Instead, MBECT users will access the new platform with their **Level-2** password.

If you don't currently have a Level-2 password you still have plenty of time to request one.

Follow the instructions for "Need a UMHS Level-2 Account?" here:

<https://idm.med.umich.edu/level-2/>

You will need to provide:

- Your full name
- Your unickname
- Your UMID Number
- Your date of birth (including the year)
- Your gender.

Billing Calendar Overview

There's still one more chance! We are offering another overview session of the new platform with a demonstration of how to create a billing calendar and manage subject enrollment. No registration required!
